### **Interview with Her Centre Service User:**

- **How did you hear about the Her Centre and how did you find our service?**

“I was referred via Women’s trust. I find that the service I have received is brilliant and simply life changing”

- **Can you tell us about the support you received and how it has helped you?**

“The support I received saved my life. I came through the IDVA service, participated in group counselling and I am also on the steering panel. Her Centre’s help has given me my voice back and has kept me away from abusive relationships.”

- **In your opinion is there any other support we could have given?**

“No not really because I have had after care and the support has continued even though I am no longer in an abusive relationship”.

- **Are you able to share with us the challenges that women in the same situation as you face?**

“Terrified, Isolated, very poor no support and before I came to Her Centre had no voice or power.”

- **Would you refer our services to other people who may need similar support?**

“Absolutely and whole heartedly I would.”
