

**Do you want to
challenge
discrimination?**

**Could you tell others how
to support victims of hate?**

**Attend our
Bystander
Intervention
Training and learn
how you can
tackle hate!**

**Empowering
YOU
to tackle
HATE.**

**Stand
by Me**

Stand by Me is a project that empowers people to assist victims of bullying, harassment or hate through safe bystander interventions.

Our **Stand by Me Ambassador training** builds the capacity of local people to support and show solidarity to those experiencing hate and hostility. They will also learn how to develop their own initiatives to share those messages with their communities.

Why get involved?

Be a part of the national movement and make a real difference.

Learn how to safely intervene when others need help.

Show your solidarity with the victims of hate.

Become an ambassador.

If you are passionate about creating safer communities for everyone and confident in talking to people, join us for the online training organised with Her Centre:
